Hi. I'm Sue Mazur and I am the publisher of the Bayside and Redlands-Wynnum Harbour editions of COFFEE NEWS. COFFEE NEWS is a free, fun and entertaining weekly publication, available from local restaurants/cafes and wait areas. These outlets target prospective customers that are having fun (or waiting) and are very receptive to your advertising message. It is the brainchild of Jean Daum, a prestigious marketing expert in advertising and marketing techniques, and also super-learning and subliminal techniques - many of which she designed, researched and used to make COFFEE NEWS one of the most potent, yet most affordable sources of advertising ever produced!
